**Response to Amendment**

1. The reply filed on 03/14/06 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The sub-election requires that ONE garment form from group A should be selected, either upper body wear/jacket, lower body wear/pants, headwear or combination upper body and lower body wear. In group B, either the first material portion being affixed to the inside OR the outside surface of the shell. In group C, either the carrying means being secured to the first chamber for carrying OR the second chamber for carrying. Further, not all claims are to be identified as being elected. See 37 CFR 1.111.
